

# **Notice to Qualified Water and Wastewater Engineering Firms**

---

## **BND WATER DISTRIBUTION AND WASTEWATER TREATMENT – ENGINEERING**

Notice is hereby given that the Brownsville Navigation District of Cameron County, Texas, d.b.a. Port of Brownsville, is requesting Statements of Qualifications (SOQs) from qualified Water Distribution and Wastewater Treatment engineering firms to perform Engineering Design Services for various “**BND WATER DISTRIBUTION AND WASTEWATER TREATMENT**” projects in the Port of Brownsville, Cameron County, Texas.

Submissions must comply with the requirements set out in the Request for Qualifications (RFQ) which may be obtained by contacting Mr. Ariel Chávez II, P.E./R.P.L.S. at [achavez@portofbrownsville.com](mailto:achavez@portofbrownsville.com), (956) 831-7003, and an RFQ package will be sent electronically or made available at the Port Main Office complex. All SOQs must be sealed and delivered to the Brownsville Navigation District, c/o Ariel Chávez II, P.E./R.P.L.S., Director of Engineering Services, 1000 Foust Road, Brownsville, Texas, by 4:00 PM, C.S.T., on Monday, the 8<sup>th</sup> day of April, 2019.

The BND Board of Commissioners **HEREBY RESERVES THE RIGHT** to reject any and all submissions, and to select the firm deemed most advantageous to the District.
