

Notice to Qualified Structural Engineering Firms

OIL DOCK #6 EAST SIDE PIPE BRIDGE – ENGINEERING

Notice is hereby given that the Brownsville Navigation District of Cameron County, Texas, d.b.a. Port of Brownsville, is requesting Statements of Qualifications (SOQs) from qualified Structural Engineering firms to perform Engineering Design and Construction Phase Services for the “**OIL DOCK #6 EAST SIDE PIPE BRIDGE**” and possibly other similar structural projects in the Port of Brownsville, Cameron County, Texas.

Submissions must comply with the requirements set out in the Request for Qualifications (RFQ) which may be obtained by contacting Mr. Ariel Chávez II, P.E./R.P.L.S. at (956) 831-7003, or at achavez@portofbrownsville.com, and an RFQ package will be sent by email, which will also be available at the Port’s website. All SOQs must be delivered to the Brownsville Navigation District, c/o Mr. Ariel Chávez II, P.E./R.P.L.S., Director of Engineering Services, 1000 Foust Road, Brownsville, Texas 78521, by **4:00 P.M. C.S.T. on Monday, May 17, 2021**. Late submissions will not be considered.

The BND Board of Commissioners **HEREBY RESERVES THE RIGHT** to reject any and all submissions, and to select the firm deemed most advantageous to the District.
