**Re: Notice of Amendment to Tariff No. 6 – Item 275 Wharfage Charges**

Dear Port of Brownsville Stakeholder:

At the Regular Board meeting held on September 3, 2025, the Board of Commissioners approved an amendment to Tariff No. 6 – Item 275 Wharfage Charges.

This amendment will take effect on **January 1, 2026**. Please note that certain commodities under Item 275 reflect scheduled increases to the wharfage charges as follows:

- **January 1, 2026 – Initial adjustment effective date**
- **January 1, 2027 – Second scheduled adjustment**
- **January 1, 2028 – Final scheduled adjustment**

Enclosed for your reference are copies of the amended tariff pages. The complete text of Tariff No. 6 is also available on the Port of Brownsville website at [www.portofbrownsville.com](http://www.portofbrownsville.com), under the “Tariffs” tab.

We value your partnership with the Port of Brownsville and look forward to our continued business together. Should you have any questions or require further clarification regarding these amendments, please contact us directly at (956) 831-4592.

encl.

Sincerely,

William Dietrich  
Port Director & CEO

**ITEM 274 - LOADING AND UNLOADING SERVICES**

1. Loading and unloading refers to the service of unloading freight from, or loading freight onto railcars or trucks, performed by authorized stevedoring contractors at wharves.
2. Loading and unloading charges will be quoted by stevedoring companies upon request.

**ITEM 275 - WHARFAGE CHARGES**

All rates and charges herein are per metric ton of 2,204.6 lbs., except as otherwise provided in individual instances.

**MINIMUM WHARFAGE CHARGE FOR EACH INDIVIDUAL WHARFAGE LINE ITEM ON AN INVOICE: \$10.00**

**MINIMUM WHARFAGE CHARGE PER VESSEL CALL: \$500**

**VOLUME INCENTIVE WHARFAGE RATES** - In order to attract cargoes to the Port of Brownsville, and as an incentive for volume cargoes, the Port Director and CEO is authorized by the Board of Commissioners to negotiate a reduced wharfage charge for specific cargoes on a volume basis.

**PART A.**

All commodities, not otherwise specified, and commodities loaded in Containers or Vans.

COMMODITY	WHARFAGE
All commodities not otherwise specified.	1.37
All commodities, not otherwise specified: Pre-palletized on wing-type pallets, minimum base dimensions 36" x 48" x 66", height not to exceed 60", including pallet, minimum weight 1,500 lbs., maximum weight 4,000 lbs. Wharfage charges will be on net weight of pallet and lading, as per individual commodity items in Part B herein	1.37
